Gentlemen:

The enclosed pictures depict the National Coin Week Exhibit on Columbus and the Commemorative Half-Dollar which I placed in the Bank of American branch office in Colton, California. The exhibit was on display from April 18 through April 27, 1974.

Joan Linberg, pictured, assisted me in the placement of the exhibit. She is the New Accounts Secretary for this branch, and advised me that about 2000 people viewed the display. The public showed much interest in Columbus, his discovery and the commemoration coin. I have been asked to exhibit in the bank again next year.

I gave talk to two area coin clubs during the month of April. Redlands Coin Club, Redlands, California on April 9; and the Fontana United Numismatists, Fontana, California on April 12.

Thank you for the certificates pertaining to National Coin Week, I will give the appropriate one to Ms. Linberg.

Very truly yours,

Mr. Albert K. Hall
